

Woven Landscape #2

R 94,000.00

Woven Landscape #2 is a call for a sensory response to our environment. One where we listen to the razor-sharp reasoning of tinted skies instead of our own hollow arguments. One where the warmth of the sun can conjure up another time or a long-forgotten road trip.

Edition Size	1
Medium	Woven rope, silk, scyhte and beadwork
Height	226.00 cm
Width	129.00 cm
