

TOKYO DIDNT KILL MY VIBE

R 30,000.00

This piece was painted at live painting performance at AMP café in Tokyo, during my 2015 residency at the Anagra Gallery, Tokyo, Japan.
The flashy colours I bought there and used for this painting still reminds me of the citu night lights and their so creative fashion world.

Frame	None
Medium	Mixed paint on canvas
Height	187.00 cm
