

Untitled

R 13,043.48

Mashudu Nevhutalu's 'Untitled' is a vibrant painting that draws from feelings of nostalgia, found within old family photographs and memories within them. Nevhutalu's use of bright colours breathes new life into these memories with a vibrant palette composed of warm oranges, deep reds, and vivid greens.

These striking colours do not diminish the authenticity of the past, but infuse it with renewed vitality, awakening those cherished moments.
