

It's been a build-up

R 27,826.09

Fatima Tayob Moosa's 'It's been a build-up' was displayed at 99 Loop Gallery's 2023 August Group Show 'With Feeling'.

Tayob Moosa's art is a testament to the interplay between the physical and metaphysical realms, explored through unique mark-making and abstract expressions. Moosa's 'It's been a build-up' combines layers of blue and brown pigment, that are drawn out and discovered within each brushstroke. Through her unique approach to mark-making and the exploration of multifaceted abstractions, Moosa opens a gateway to the realms of both the seen and the unseen.
