

Best Friend on Hold

R 8,000.00

With his treasure close to his chest, he bears his sharp gold slit fangs for those who dare try to harm him or his loved ones.

Standing watch with extra focus, he patiently waits in anticipation for your order of “ge-tsss” the signal to sink his teeth into the flesh of your enemies. Or maybe you have asked him “who’s a good boy?” And you respond with “you’re a good boy”.
He associates this pairing of question and answer with treats. Now he’s fixated on the thought of the special crunchy biscuit bones; while you sit and await his reply.
