

## Green Point Common

Call for Price

From the series Separate Amenities. This area of Green Point was reserved for the exclusive use of the 'white' population during apartheid. This site was used as a grazing area for the cattle of the Huri-!Xai Quena and Kurin gai-Quena tribes during pre-colonial times. Recently it was inhabited by homeless people who were removed in order to make way for the 2010 FIFA World Cup Stadium.
